Listing of Summer Camps in Co. Kildare 2011

Welcome to Kildare Youth Services (KYS), Youth Information Centre,
Summer Camps in County Kildare 2011, Sixth edition.
Think there is nothing to do this Summer?

Wondering how to fill up those long days of Summer Holidays?
Kildare Youth Services - Information Centre have the answer.
We have produced this list of Summer Camps across the County.

Since September 2007 the Garda have been rolling out a Garda Vetting System for professionals, students and volunteers, who are working with children. KYS has been supporting and encouraging good practice for the protection of children and young people in Summer Camps included in this listings.

This year, we are only including Summer Camps that have declared to us that they have Public Liability Insurance and staff and volunteers are Gardá Vetted.

This leaflet is for information purposes only. Kildare Youth Services accepts no responsibility or liability with regards to individual Summer Camps. It is the responsibility of the parents/guardians to ensure that camps are adequately supervised and that the necessary policies are in place.
